

Shipping Policy

revised 12.28.20, v.20

We understand that shipping charges play an important role in your purchasing decisions. For your convenience, the following is a transparent and standardized zonal shipping charge structure calculated as a percentage of your order total.

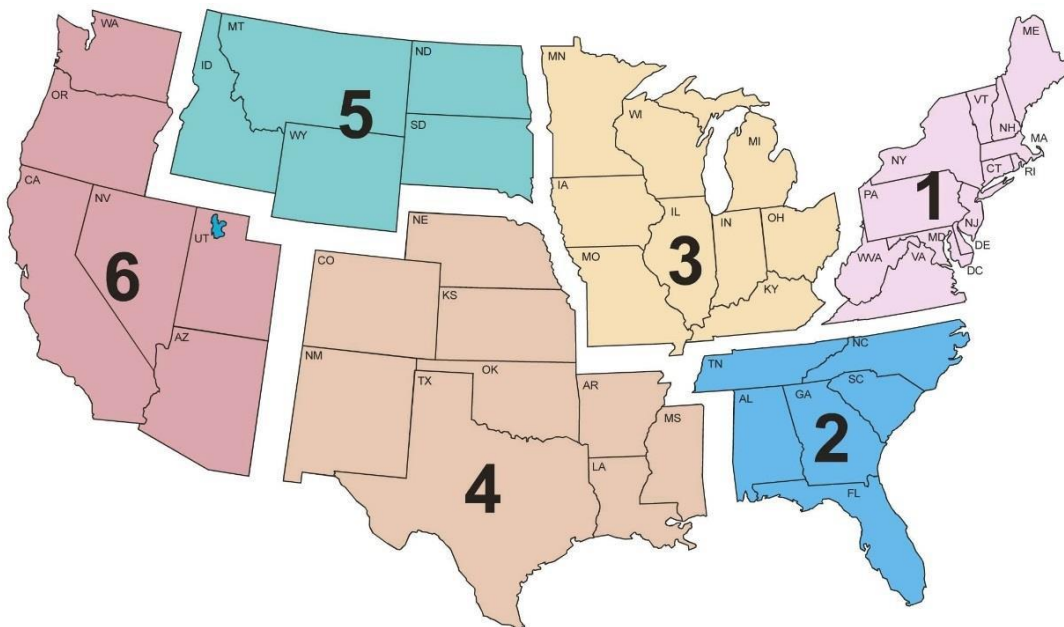

Simply find your zone. Then using the table below, apply the appropriate shipping percentage according to your order total. ***No rate changes since 2018.**

This new shipping structure is:

- FOB Cold Spring, NY
- Valid only within the lower 48 States. Outside of this area actual shipping rates will apply. Freight can be quoted based on a sales order and upon special request.
- Valid for both LTL and FedEx Ground shipping
- Includes all standard handling charges.
- Carried over to back orders, if any, at the rate of the initial order.
- Valid only for orders comprised of more than 50% full-priced merchandise (by value).
- Orders comprised of 50% or more Attic (discounted) items will be shipped at an Actual Shipping Rate value of the items.
- Customers are welcome to pick up orders at our Cold Spring, New York Warehouse with 24hour notice and by appointment only.

Please Note:

- Zones have been recalibrated and rates are slightly increased for the first time in two years due to carrier rate increases.
- Your invoice will reflect separate totals for merchandise and shipping charges.
- Attic, sale and discounted items will be shipped at a rate assessed to original wholesale price.
- Due to carrier requirements, pre-authorized claims for damaged or defective items must be filed within 5 business days of receipt of shipment.
- Returns of first quality merchandise are not permitted, unless the error is BIDKhome's.
